RE: Letter of intent and support Agenda item September, 2012 meeting

Dear Council Members and Mayor:

This is a letter of request & support for Loomis's Peter Oakes, owner of Pacific Crest Media, ED of CCD Expo, and longtime resident and supporter of Loomis. As you are aware, Peter is fighting a STAGE 4 cancer in his throat area. The cancer was diagnosed in early August, late July. Peter is going thru chemo and radiation. It is still considered very dangerous and life threatening and a stage 4. Progress is being made, however, no firm confirmation of cure. The results can still be tragic.

As a result of this and the communities outpouring to help one of Loomis's own, our CCD Expo, film, and music communities are sponsoring the first of many fundraisers to assist Peter in battling this disease. The benefit concert will be on the newly commemorated Blue Anchor stage Sept. 30, Sunday from App 530 -9. It will include live acoustic performances, bands, and raffles, along with the stage commemoration that evening. The event is a donation evening and there is no ticket charge. There will be no alcohol. 100% of proceeds will go to Peter. A donation area will be manned, and digital means of swiping also will be available instead of cash donations...

The concert will include well known performers from CCD, Todd Morgan and the Emblems, Heroes Last Mission, Stillwood Sage, selected acoustic songwriters, The Peter Oakes Pain in the Neck Jam Band, and the Peter Oakes Blue Anchor Community Drum circle sponsored by Eric Chun and Steve Price. The Audio will be donated by Sidewinder Sound and Lighting, along with assistance from American River AES student section, and others.

The following line items are requested for discussion and approval:

- | | |
|----------------------------------------------|--------|
| 1. Waive the deposit fees | 100.00 |
| 2. Waive of the bathroom fee use | 35.00 |
| 3. Waiver of stage city outlet for power | 25.00 |
| 4. Donation of \$200 for rental of generator | 200.00 |

Your participation and attendance at the concert has already shown Peter that many of us, and you care about someone's health and welfare and the contributions that Peter has made to the town of Loomis. We want to combine the Blue Anchor stage and the benefit concert to begin many fundraisers to help Peter stay alive and fight a deadly disease.

Thank you for your assistance and support
